RESEARCH DAY TOOLS

ABOUT ORGSP

The Office of Research, Grants and Sponsored Programs at Lincoln Memorial University is dedicated to providing the supportive infrastructure needed to increase the overall number and types of externally funded grants.

LET US KNOW

Is there a research tool that would benefit the work of your department or school? Contact ORGSP at 423.869.6607 or email Natalie Sweet at natalie.sweet@lmunet.edu to let us know how we can assist you.

CITI TRAINING

The Collaborative Institutional Training Initiative Program is a non-profit organization that provides the training needed to ensure that all investigators and research study personnel who collect, access and analyze data, meet the minimum Federal standards to protect the privacy of patients and protected health information as set forth by the 1996 Health Insurance Portability and Accountability Act (HIPAA).

QUALTRICS

Qualtrics is management software that allows you to create teams, build surveys, receive feedback, and generate reports with minimal programming knowledge.

CANVA

Offering both a free and paid version, Canva provides a variety of templates for presentations, including research posters. Simply type in "research poster" in the search bar for available templates.
