

LMU-DCOM TRANSFER PROCEDURES

For a detailed description of the Transfer Policy please refer to the LMU-DCOM Student Handbook. Applicants who wish to transfer to LMU-DCOM should send the following information to the LMU-DCOM Director of Admissions:

1. The LMU-DCOM supplemental application and \$50.00 application fee.
2. Most recent MCAT score report
3. Official copies of all undergraduate college and university transcripts.
4. Official copy of transcript from the osteopathic medical school they are attending
5. A letter of good academic standing from the medical school the student is enrolled in. The letter should come from the Dean of Students and should include an acknowledgment that the Dean of the College is aware of the request to transfer.
6. A letter indicating why the student wants to transfer.

An offer of acceptance from LMU-DCOM to a transfer applicant requesting to enter into the clinical years (Years 3 and 4) will be contingent on the student passing COMLEX part one.
