Central California Faculty Medical Group (CCFMG), affiliated with UCSF Fresno, is recruiting for Physician Assistants in the following areas:

- **Dermatology**
- **Emergency Medicine**
- **General Surgery/Trauma**
- **Intensive Care Unit (ICU)**
- **Orthopaedic Surgery**
- **Pulmonary Medicine**
- **Urology**

The program is based in Fresno, California, where residents enjoy a high standard of living combined with a low cost of living. The result is a quality of life uniquely Californian, yet surprisingly affordable. Limitless recreational opportunities and spectacular scenery is all accessible in a community with abundant affordable housing.

While there is much to see and do in Fresno, the city is ideally located for fast, convenient getaways to the majestic Sierra (just 90 minutes away) as well as the scenic Central Coast, just two and one-half hours away. Fresno is the only major city in the country with close proximity to three national parks, including renowned Yosemite National Park.
