

School of Allied Health Sciences
LINCOLN MEMORIAL UNIVERSITY

**Lincoln Memorial University
Veterinary Medical Technology Program
Bachelor of Science
Application Checklist**

1) Application to Lincoln Memorial University

To be considered for admission to the BS VMT program, you must first be accepted by LMU. To apply to the University, please visit <http://www.lmunet.edu/admissions/index.shtml> or call 1-800-325-0900 for more information.

2) Application to the Veterinary Medical Technology Program

After applying to the University, please complete the BS VMT Program application. You can find the application and all other required materials at <http://www.lmunet.edu/academics/programs/vet-med.shtml>

3) Personal statement of academic and career goals

Tell us why you want to further your education as a licensed veterinary medical technician. This statement should be one to two pages typed, double spaced with size 12 font.

4) Confidential Evaluator

BS VMT applicants must submit a confidential evaluator letter from either their previous program director or current employer.

5) Verification of Licensure or anticipated date of VTNE.

The BS VMT program observes a rolling admissions cycle. Applicants are encouraged to return all application materials as early as possible.

Priority Application Deadline for fall semester: June 15th

Priority Application Deadline for spring semester: November 15th

Please complete all sections of the application. Incomplete applications will not be processed. Applicant files will be reviewed for admission once all items have been received and processed.

Please mail all BS VMT application items to:
