### Program Attributes

- The LMU DBA utilizes a flexible ONLINE format to meet the needs of working professionals.
- The LMU DBA is a terminal degree that can be utilized in both industry and academia.
- The LMU DBA is awarded from a traditional, brick-and-mortar, emerging research university that is well over a century old.
- The LMU DBA is a 48 or 60 credit hour program. Students holding an MBA may be eligible to transfer 12 credit hours of course work into the LMU DBA program, leaving them with only 48 credit hours to complete.
