VISION

Lincoln Memorial University strives to achieve regional distinction as a student-centered, educational, and service-oriented intellectual and cultural community defined by excellence, creativity, and diversity in its people, procedures and programs.

MISSION AND PURPOSE

Lincoln Memorial University is a values-based learning community dedicated to providing educational experiences in the liberal arts and professional studies. The University strives to give students a foundation for a more productive life by upholding the principles of Abraham Lincoln's life: a dedication to individual liberty, responsibility, and improvement; a respect for citizenship; recognition of the intrinsic value of high moral and ethical standards; and a belief in a personal God.

The University is committed to teaching, research, and service. The University's curriculum and commitment to quality instruction at every level are based on the beliefs that graduates must be able to communicate clearly and effectively in an era of rapidly and continuously expanding communication technology, must have an appreciable depth of learning in a field of knowledge, must appreciate and understand the various ways by which we come to know ourselves and the world around us, and must be able to exercise informed judgments.

The University believes that one of the major cornerstones of meaningful existence is service to humanity. By making educational and research opportunities available to students, Lincoln Memorial University seeks to advance life throughout the Appalachian region and beyond through teaching, research and service.

Approved by the Board of Trustees November 13, 2012

INSTITUTIONAL GOALS

Lincoln Memorial University is a private, independent, non-sectarian University with a clearly defined mission that distinguishes it from other educational institutions. While the University cherishes its heritage and rich traditions, it recognizes that dynamic growth and change are required to meet the needs of today's students. The University has identified the following institutional goals, which are derived from its mission and reflect its vision for the future:

1. Make educational opportunities available to all persons without reference to social status. The University seeks to maximize enrollment by strengthening recruitment efforts and increasing student retention through the creation of an academic and social environment that facilitates success and rewards achievement.
2. Maintain fiscal integrity in all its activities, programs and operations through concerted efforts to continuously increase its endowment and financial standing.
3. Provide quality educational experiences that have their foundation in the liberal arts and professional studies, promote high personal standards and produce graduates with relevant career skills to compete in an ever-changing, increasingly global market.

4. Advance the Cumberland Gap and Appalachian region through community service programs in continuing education, leadership development, recreation and the fine and performing arts.
5. Serve as a critical educational, cultural, and recreational center for the area, and to develop and maintain facilities, which are safe, accessible, and conducive to the development of body, mind and spirit.
6. Attract and retain a diverse and highly qualified faculty and staff, committed to teaching, research and service.
7. Commit resources to support the teaching, research, and service role of the Institution.
8. Support faculty and staff development programs with priority for allocation of resources determined by institutional needs.
9. Increase technology for all educational sites. Specifically, the University seeks to continuously improve its computer and other technological resources for faculty, staff and students.
10. Develop and implement academic programs in response to anticipated or demonstrated educational need, and to continuously evaluate and improve the effectiveness of current programs.
11. Provide a caring and nurturing environment where students, faculty and staff with varied talents, experiences and aspirations come together to form a diverse community that encourages students to grow intellectually and personally to meet their academic and career goals.
12. Provide quality educational opportunities through selected degree programs for students who live or work a significant distance from the Lincoln Memorial University main campus, and for whom other options are not as accessible or satisfactory.

SECTION 1: STUDENT SERVICES

ACADEMIC PROGRAM

The academic program at LMU consists of offerings from six undergraduate schools: School of Allied Health Sciences, Carter and Moyers School of Education, School of Business, Paul V. Hamilton School of Arts and Humanities, School of Mathematics and Sciences, and Caylor School of Nursing and Allied Health.

Baccalaureate Core Curriculum

LMU believes it is important that students have exposure to a variety of academic disciplines in the liberal arts and sciences. The faculty has identified a collection of courses and options designed to ensure desirable breadth in the college experience. That collection of courses is called Baccalaureate Core Curriculum. To graduate with an associate or baccalaureate degree from LMU, the student must successfully complete the Core Curriculum requirements. These requirements vary and are specified in the *Lincoln Memorial University Undergraduate Catalog*.

ACADEMIC SUPPORT SERVICES

The Office of Student Services offers a variety of services to the students of LMU. All students are assured access to LMU programs and services through use of an LMU photo I.D.

Tagge Center for Academic Excellence

The Tagge Center for Academic Excellence offers free assistance to all students in reading, writing, math, learning skills (test-taking and test-preparation) and in several other courses. Test reviews are scheduled throughout each semester. Students may schedule an appointment and/or drop in to see a tutor at the Tagge Center for Academic Excellence, located on the main floor of the Student Center.

Student Support Services Program

Student Support Services is a federally-funded program to assist eligible students who have an academic need. The program offers assistance in the areas of study skills, academic advisement, career counseling, personal counseling, financial aid counseling, exposure to cultural and academic programs and graduate school counseling, as well as tutoring and mentoring services.

Students interested in participating in the Student Support Services Program must complete an application, available in the Student Support Services Office or during new student registration. Acceptance into the program entitles the student to use all services free of charge. The office is located on the main floor of the Student Center.

Academic Advisement

Each student is assigned an academic advisor according to his/her major area of study. The academic advisor will assist the student in selecting appropriate courses for each academic semester. **The student bears ultimate responsibility for effective planning, progression and completion of all requirements for his/her chosen degree,** but the academic advisor can give

valuable direction and encouragement.

Kanto Program

The University regularly hosts Japanese high school students from the Kanto International Senior High School of Tokyo. These students come to the University to study English, speech, reading, music, art and U.S. History, and to become familiar with American culture. The advanced English courses and exposure to American students and faculty improve the Kanto students' fluency by immersing them in the language.

Testing

Various personality and interest inventories are available to students through Student Support Services (Tagge Center) and the Career Planning Office (Student Center 317). In addition, the College Level Examination Program (CLEP) is available for which up to two years of college credit can be awarded. The University also serves as an official American College Test (ACT) testing center.

Career Services

The Office of Career Services (located in Student Center 317) provides resource information through inventories, literature and Internet access. This office also conducts workshops on resume writing, interviewing skills and career searching.

The Career Services program is divided according to school year (freshman, sophomore, etc.). It is very important that students start their credential files early in their college career. These files will contain pertinent information to complete resumes during the senior year.

Other services provided by the Office of Career Services include:

- * Career services web page
- * Career links
- * Career services procedures
- * Career field information
- * Graduate school catalogs
- * Major selection guidance
- * Career Fairs are scheduled throughout the academic year.

For more information go to: <http://www.lmunet.edu/campuslife/careerplanning>

Counseling

Personal and confidential counseling is available free of charge to students through the Office of Student Services. Referral to local counseling and assistance resources is available upon request by the student. For more information, go to: <http://www.lmunet.edu/campuslife/counseling/>

Student Services provides alcohol and substance abuse education as a resource to students, staff and faculty upon request/need. Topics include the disease concept of alcoholism, effects of alcohol and other drugs, drinking and driving, responsible decision-making regarding use and treatment options available. The alcohol and drug education provided is not a treatment program; rather it emphasizes education, intervention and support. Assessments (general) are provided. Students who need drug and alcohol counseling/intervention that is beyond the scope of what the

university provides will be referred to outside services. The use of outside resources may incur charges to the student that are independent of Lincoln Memorial University.

Academic counseling is available through the Office of Student Services, the Tagge Center for Academic Excellence (second floor of the Student Center), the student's academic advisor or UACT 100 class, *Strategies for College Success*. Academic advisors for students are assigned by department chairs..

Career counseling is also available through the Office of Career Services.

Educational Programming

COMPUTER SERVICES

Pathway – Where it all begins.

Pathway is Lincoln Memorial University's web portal for all students, faculty and staff. Pathway offers a central location for all university information, and should be checked frequently. Pathway provides single-sign on access to E-mail, University announcements, grades, registration and Blackboard, LMU's learning management system.

Students are issued one account, and that account gives them access to all resources that they will need during their tenure at Lincoln Memorial University (LMU). For new students (accounts created after September 2011), the username uses the syntax firstname.lastname and the password is the first letter of your lastname followed by your 6 digit birthday (for example, if your name was Abraham Lincoln and you were born on February 12, 1809, your username would be abraham.lincoln and your password would be l021209 – a lower case 'l' followed by 021209).

For accounts created before September 2011, the username will follow the same syntax as above, but the password will only be the six digit date of your birthday.

It is your responsibility to ensure that all of your LMU passwords remain confidential. LMU does not accept responsibility for any password-related breach of security. You have the option to decline the assignment of a user name and password to access any accounts at LMU and may do so by contacting Information Services.

Services Available Through Pathway

WebAdvisor: You can register for classes, check grades, record address changes, check your financial aid and account balances, and make payments online. Logging into Pathway gives you single sign on access to WebAdvisor. Once in WebAdvisor, you can always return to Pathway by clicking on the “Home” tab or on the “Pathway” breadcrumb.

Blackboard: Blackboard is the learning management system for most LMU students. When you click on the Blackboard link, you will be automatically logged in to the system through Pathway’s single sign on process.

Announcements, News and Events: LMU announcements, news and events will be posted in Pathway on a regular basis. This will be the primary means of communicating important information on campus and replaces many of the email communications you have been used to receiving in the past.

My Team Sites: Team sites are web pages targeted for a specific group based on a department, official student organization, or an employee business function for collaboration and communication.

My Week: Displays your personal calendar. Click on the date to display details for that date. To enter new calendar items, click on your unread messages to access your “Outlook Web Access”. Click on your calendar in folders to add or modify entries.

My To Do: A list of your personal tasks. Maintain tasks in the same manner as you maintain personal calendar entries. Click on your unread messages to access your Outlook Web Access. Choose the Tasks to access the Tasks list. Click an existing task to edit or choose “New” to add a task.

University Email

Every student is issued an email account. Some faculty require submission of homework assignments via email. Students may choose to access their email on the University computer systems, from their resident hall rooms on their personal computers or from home on their personal computers. LMU supports a web based email client that can be accessed from any computer that has access to the Internet. The syntax for LMU student email addresses is firstname.lastname@lmunet.edu. In the event two students have the same first and last name, a sequential number is added to the end of the last name, (ex. john.doe1@lmunet.edu). Students are allowed 10GB of Email storage and 25 GB of file storage in their LMU Skydrive account, which can be used from any Internet connected computer. We encourage our students to use their LMU email accounts for all communication during their tenure at LMU. All LMU incoming and outgoing email is scanned for viruses.

University Computer Labs

LMU has several computer labs available both on the main and on most extended campuses for student use. Currently, the university has computer labs at:

- Library Lower Level
- Library Laptops

- Library Second Floor (in the Medical Library)
- Business Education Building 116
- Business Education Building 118
- Business Education Building 213
- Avery Hall 106
- Math and Science Building 272
- Math and Science Building 221
- Tagge Center (located in the Student Center)
- Extended Learning Site: Corbin
- Extended Learning Site: Cedar Bluff 132
- Extended Learning Site: Cedar Bluff 187
- Extended Learning Site: Alcoa 104

The computers (both desktops and laptops) located in the Library are dedicated for student use, to complete homework assignments and check their email. Contractual agreements are in place to provide student access to computers at our extended learning sites in Alcoa, Chattanooga, Ducktown, Kingsport, Knoxville (Physicians Regional Medical Center), , Morristown, and Sevierville, Tennessee; and Corbin and Middlesboro, Kentucky. Open hours for each of the labs are posted at each location.

Internet Access for Residential Students

Internet access is available in all residence halls on campus. Students must bring their own computers to access the Internet from their dormitories. The LMU Network supports both Windows based and Apple Mac based computers. The IS Helpdesk is more familiar with Microsoft Windows environments, but can offer basic help for Apple Mac computers as well. Wireless-N is available in all dormitories on the main campus, and wired ports are also available in most rooms. To access the LMU Network and the Internet from your dorm room, your computer must have either a Wireless B, G, or N card, or a wired NIC (Network Interface Card). To access the student wireless network, connect your computer to the network named LMU_OpenAccess and enter your LMU Pathway account credentials when prompted.

Students who wish to connect to the Internet will be required to install a network access control (NAC) client. This client is used by the University to assure that the student computer has updated virus protection, is running an authentic operating system and has all the necessary security patches for that operating system installed. This client is a non-intrusive application that can easily be removed when the student disconnects from the University's network. Students will not be allowed to connect to the network without this application.

If you have difficulty accessing the LMU Network or the Internet from your dormitory, contact the RA for your building.

Internet Access for Commuter Students

Wireless Internet access is accessible at several locations within the University network infrastructure. Students will be able to use their personal computers (laptops only) to access the WAP at the Library, in the student center, and in most every academic and administrative building on the main campus, as well as most all of the extended sites. Students should verify that their laptops or smart devices can connect to Wireless B, G, or N networks in order to be

sure their device can access the network.

To access the wireless network, choose the network named LMU_OpenAccess from the network list, and enter your LMU Pathway username and password when prompted.

Students who wish to connect to the Internet will be required to install a network access control (NAC) client. This client is used by the University to assure that the student computer has updated virus protection, is running an authentic operating system and has all the necessary security patches for that operating system installed. This client is a non-intrusive application that can easily be removed when the student disconnects from the University's network. Students will not be allowed to connect to the network without this application

Network Data Storage

Students will have 25GB of storage in their online LMU Skydrive account that they can access both from any internet connected computer. While this is available for every student, we also encourage each student to have a USB Drive available, and to keep any urgently needed files on those drives. USB Drives can be purchased for less than \$10.00

University Printing/Photocopying

Multifunction units are strategically located in each of the buildings (including our extended campus sites). These units will be available for student use and are fee-based. Students will have an initial quota of 500 pages of printing per semester. Additional prints/copies can be purchased in 100 page increments at a cost of \$10.00.

Computer Repair – Personal Computers (Desktop or Laptop)

LMU does not provide repair services for personal computers. If your personal computer is not functional, contact the PC's manufacturer for assistance and further information.

Telephone Services - Fax/Courtesy Phones/Long Distance/Cell Phones

There is one phone line per room. Students must bring their own telephones and/or answering machines. All local calls are free; however, in order for students to make long distance calls from these phones, long distance calling cards must be used. Long distance calling cards may be purchased in the LMU Book store. The dialing area for LMU is (423) and the exchange is 869. Students phones are behind a Private Telephone Switch (PBX) similar to rooms in a hotel and students must dial 9 to get an outside line. Student phone numbers are not listed in the local phone book. Student phone numbers will not be given to callers via the switchboard and cannot be accessed using any of LMU's toll-free numbers. Students can call faculty, staff and fellow students on the PBX using the four digit extension number.

Courtesy phones are strategically located in each of the buildings (including our extended campus sites). These phones can be used similarly to how the phones in the resident halls are used. In order for students to make long distance calls from these phones, long distance calling cards must be used.

Faxing capabilities will be available for students via the multifunction machines mentioned in the **University Printing/Photocopying** section. Again in order for students to fax long distance

from these phones, long distance calling cards must be used. There will be a fee associated with the number of pages that are faxed (similar to the cost associated with print/copy).

Verizon Wireless is the cell phone vendor choice for University faculty and staff. Students who purchase a Verizon plan will utilize free mobile to mobile minutes if they need to contact security or other LMU faculty and staff on their cell phones.

LMU Student Email Policy

Electronic mail (email), like postal mail, is an official mechanism for administrators, faculty, staff and students to communicate with each other. The University expects that email communications will be received and read in a timely manner. Students are expected to check email on a frequent and regular basis in order to stay current with University-related communications, recognizing that certain communications may be time-critical. If a student receives an official e-mail from a University faculty member, administrator, or staff member and does not read that e-mail any subsequent repercussions cannot be excused by “unread e-mail messages.”

Inappropriate emails, some examples of which are described below, are prohibited. Anyone receiving such an email should immediately contact the University Helpdesk. Examples of inappropriate uses of email:

- Sending bulk emails which do not relate to University Business or Student activities. Bulk e-mails which mention names and individuals in a derogatory manner are unprofessional and could be considered slanderous.
- The creation and exchange of messages which are harassing, obscene or threatening.
- The unauthorized exchange of proprietary information or any other privileged, confidential sensitive information.
- The creation and exchange of information in violation of any laws, including copyright laws, or University policies.
- The knowing transmission of a message containing a computer virus.
- The misrepresentation of the identity of the sender of an e-mail.
- The use or attempt to use the accounts of others without their permission.

Material that is fraudulent, harassing, profane, obscene, intimidating, defamatory, or otherwise unlawful or inappropriate may not be sent by email or other form of electronic communications.

If a student engages in this type of behavior it will be considered a violation of the policy and will result in disciplinary action.

ADMINISTRATIVE SERVICES

The primary purpose of LMU is to provide students the opportunity to pursue higher education. The Office of Student Services is dedicated to providing experiences to all students without regard to race, national origin, gender, age, disability, sexual orientation, military service or religion. The University’s educational, social and service programs provide students with an understanding of themselves and others in the world around them. The rules and regulations of the University are designed to permit students to pursue their academic careers with assurance that they and their property are safe and that they can work without interruption or harassment. Students are encouraged to pursue recreation outlets as long as they do not interfere

with the rights of others, damage LMU property or violate school, local, state and federal laws while on campus.

Lost personal items should be turned in or reported to the Office of Student Services, Student Center - Room 308 or LMU Campus Police and Security Office in Tex Turner Arena.

FOOD SERVICES

Sodexo Services provides food services to LMU students with a valid ID card. Students must update their ID cards each semester, whether or not they change plans.

Room and board rates are subject to final approval by the Board of Trustees and are published each semester on - line. Meals and meal plan charges begin concurrently on registration day.

A \$50.00 fine will be assessed to any person removing china and/or silverware from the premises.

Meal Plans

All students living in campus residence halls are required to participate in one of the meal plans. Those plans are discussed in detail in the *LMU Residential Handbook*. Only married students or students with children living on campus are exempt.

The block meal plan is designed for the commuting student who occasionally desires to eat meals in the dining hall. Cost is based on the number of blocks (meals) purchased.

A \$25.00 fee is charged for all changes to a meal plan once entered. A student is not permitted to change meal plans after the seventh day following registration day.

Dietary and Scheduling Accommodations Needs

Any student who must follow a specific diet may supply the Director of Food Services with a prescription diet from the student's physician. Every effort will be made to accommodate the student's special dietary needs.

The LMU cafeteria serves breakfast, lunch and supper. A schedule of hours is posted in the cafeteria. Students with special schedules (student teaching, practicum, internship or clinicals) may discuss their class schedules with the food manager.

Food Committee

The Office of Student Services sponsors the Food Committee. The Committee consists of the Director of Student Activities, the Director of Food Services and student representatives. The Committee meets once each month to present student opinions, suggestions and preferences concerning the food services. Anyone interested in serving on the Committee should contact the Director of Student Activities at ext. 6294.

HEALTH SERVICES

Medical Services

LMU students are eligible to use the medical services offered through the Outpatient Services Department of Lincoln Memorial University-DeBusk College of Osteopathic Medicine. Hours of clinic operation are 8:30 a.m. to 4:30 p.m. on Monday-Friday, closed 12-1 for lunch. Students

must pay a fee (insurance co-pay) upon service. Students must also present health insurance information in order to use the clinic, and the clinic staff will bill the insurance company for the student. Lab work or other tests are subject to co-pay and deductible charges.

The scope of the clinic practice currently includes family practice and osteopathic manipulative therapy. Gynecological consults will also be handled through the clinic. The clinic is staffed by members of the DCOM faculty.

Appointments can be made by phone at ext. 7193 with the office manager. The clinic also accepts walk-ins, but preference will be given to patients with a scheduled appointment.

There are two (2) hospitals in the immediate vicinity. Claiborne County Hospital is located in Tazewell, Tennessee at 1850 Old Knoxville Road. Appalachian Regional Hospital is located in Middlesboro, Kentucky at 3600 W. Cumberland Avenue. Both hospitals have emergency-room service 24 hours a day, seven days a week. Treatment is normally on a cash or insurance card basis only. However, the hospitals will turn no one away for insufficient means of payment. Student Services Staff members will assist in arranging transportation as needed. Students are reminded that it is far more costly to receive care from doctors and health agencies outside regular working hours, or at the emergency room.

Acquired Immunodeficiency Syndrome (AIDS)

The following guidelines, recommended by the American College Health Association, are based on facts derived from the best currently available medical knowledge about Acquired Immunodeficiency Syndrome. The University reserves the right to revise this statement based on further advanced information on AIDS. Because LMU is an educational institution, its main response to AIDS will be educational in nature. The LMU Health and Safety Committee will be responsible for disseminating the latest information on AIDS and AIDS prevention to the campus community. The University will strive to maintain the following guidelines; however, each situation will be evaluated on a case-by-case basis.

1. There is no medical justification for restricting the access of persons with AIDS, AIDS Related Complex (ARC), or a positive HIV antibody test to campus facilities or activities.
2. Most students, faculty, or staff who have AIDS, ARC, or a positive HIV antibody test will not have restricted access to facilities or activities.
3. The existence of AIDS, ARC, or a positive HIV antibody test will not be considered in the initial admission decision to the institution.
4. The existence of AIDS, ARC, or a positive HIV antibody test will not be part of the decision regarding residence hall assignment except in the following situation: Immune compromised students may require special (separate) housing accommodation for their own protection, and this will be provided when such housing is available and only with the permission and consent of the student involved. Although a good faith attempt will be made to provide such accommodations, the institution is under no obligation to create such an accommodation when one is not readily available.
5. Students, faculty, or staff are encouraged to inform campus authorities (i.e. students inform the Dean of Students; faculty/staff inform the Vice President for Academic

Affairs and Provost) if they have AIDS, ARC, or a positive HIV antibody test so the University can meet the needs of the individual. All medical information will be handled and maintained by the University in a strictly confidential manner.

6. No specific or detailed information concerning complaints or diagnosis will be provided to faculty, administrators, or parents, without the expressed written permission of the individual. No recording of AIDS-related information will be entered in University records without the individual's consent.
7. An effort will be made by the Health and Safety Committee and other University personnel to provide educational resources whereby the Lincoln Memorial University population at large may learn the facts about AIDS and AIDS prevention.

STUDENTS WITH DISABILITIES

LMU does not discriminate, for purposes of admission to LMU or access to and treatment in LMU's programs or activities, on the basis of disability. Every effort is made to accommodate the needs of the students with disabilities attending LMU. As buildings on the LMU campuses are remodeled, care is taken to assure that persons with disabilities have sufficient access to those buildings. LMU will also provide reasonable accommodations to students with properly documented disabilities. If a student with a disability has any issue or question about his/her disability, the Americans with Disabilities Act ("ADA") or Section 504 of the Rehabilitation Act of 1973 (Section 504) he/she should contact the ADA Coordinator (Duke 201, 423-869-6401). That contact information is also listed on the class syllabus for every LMU class. In addition, students with learning disabilities should become familiar with the services of the Tagge Center for Academic Excellence and Student Support Services, both located in the Student Center of the main campus in Harrogate, TN.

Request for Accommodations

The following procedure must be followed in order for any student with a disability to receive accommodation:

- 1) The student must submit documentation of his/her disability to the ADA Coordinator (guidelines for proper documentation are set forth below);
- 2) The ADA Coordinator will contact the student concerning arrangements for reasonable accommodations (student must be prepared to discuss specific accommodation needs);
- 3) A "Student Accommodation Form" listing the accommodations to be provided to the student during a particular semester, will be circulated to the student's faculty for review and signature;
- 4) **The student must contact the ADA Coordinator prior to each semester for reauthorization and accommodations for the upcoming semester.**

Documentation Guidelines

Students requesting accommodations or services from LMU because of a disability are required to submit documentation to determine eligibility for those accommodations or services in accordance with Section 504 and the ADA. To establish that a student is covered under Section 504 and the ADA, the documentation must indicate that the disability substantially limits some major life activity, including learning.

A diagnosis of a learning disability does not necessarily qualify a student for academic accommodations under the law. The following guidelines are provided in the interest of assuring that documentation of a learning disability is complete and supports the student's request for accommodations. LMU will determine eligibility and appropriate services, case by case, based on the quality and completeness of the documentation submitted. The following requirements provide students, schools, and professional diagnosticians with a common understanding of the components of documentation that are necessary to validate the existence of a learning disability, the impact on the individual's educational performance, and the need for academic accommodations for the purpose of the ADA and Section 504. (10/05)

A. A Qualified Professional Must Conduct the Evaluation

The assessment must be administered by a trained and qualified (i.e., certified and/or licensed) professional (e.g., psychologist, school psychologist, neurophysiologist, education diagnostician, or student clinicians who are being supervised by a qualified professional) who has had direct experience with adolescents and adults with learning disabilities.

B. Documentation Must be Current

Reasonable accommodations are based on the current impact of the disability on academic performance. In most cases this means that a diagnostic evaluation should be age appropriate and relevant to the student's learning environment, and show the student's current level of functioning. If documentation does not address the individual's current level of functioning a re-evaluation may be required.

C. Documentation Must Include a Specific Diagnosis

The report must include a clear and direct statement that a learning disability does or does not exist including a rule out of alternative explanations of learning problems. Terms such as "learning difficulty," "appears," "suggests," or "probable" do not support a conclusive diagnosis.

D. Documentation Must be Comprehensive

The documentation must include a summary containing relevant historical information, instructional interventions, related services, and age of initial diagnosis. The documentation must also include objective data regarding aptitude, achievement and information processing. Test scores (standard scores, percentiles, and grade equivalents) must also be included in the documentation.

E. Recommendations for Accommodations

A diagnostic report may include specific recommendations for accommodation(s). A prior history of an accommodation, without a demonstration of a current need, does not in and of itself warrant the provision of that accommodation. Each accommodation recommended by an evaluator should include a rationale. The evaluation should support the recommendations with specific test results or clinical observations. If an accommodation is not clearly identified in the

diagnostic report, LMU has the right to seek clarification and/or additional information either from the student's evaluator or from another trained professional chosen by LMU. LMU will make the final determination as to whether appropriate and reasonable accommodations are warranted and can be provided. LMU reserves the right to request reassessment of the student's disability when questions arise regarding previous assessment or provision of services or accommodations or when the student requests additional services or accommodations above and beyond what has been previously provided to the student.

F. Process for Receiving Reasonable Accommodations

All documentation related to the student's disability and accommodations shall be maintained by the ADA Coordinator. Upon receipt of the documentation, the ADA Coordinator will meet with the student, either in person or by telephone, to discuss and make arrangements for accommodations for the upcoming semester. A Student Disabilities form will be completed listing the agreed upon accommodations, and will be signed by the student, the student's faculty members and the ADA Coordinator. This process shall be followed each semester for which the student wishes to request accommodations.

If a problem arises concerning the reasonable accommodations, the student should contact the ADA Coordinator for assistance (Ext. 6251).

Grievance Procedure for Student with Disabilities

All grievances concerning any aspect of the services or accommodations provided to a student with a disability, or related to any issue related to Section 504 or the ADA, should

be taken to the ADA Coordinator within ten (10) working days of grievance. The LMU grievance committee will review the matter. The LMU grievance committee consists of: Dean of Students(Chair), the Director of Academic Excellence, the Associate Dean of Students, a faculty member appointed by the chair of the committee and the academic dean or chair of the department in which the effected student is enrolled. The decision of LMU's grievance committee is final.

SECTION II: POLICIES AND PROCEDURES

ACADEMIC POLICIES AND PROCEDURES

Registration

The steps for registering for classes follow the sequence described below:

New Students:

- Make an appointment with Admissions to attend a New Student Registration Day.
- Review the Class Schedule (online), the LMU undergraduate Catalog (online), and academic record to select course options
- Meet with an advisor for advice and approval of a schedule for the upcoming semester. The advisor will maintain the student's advising folder.
- Take the signed Registration form to the appointed Registrar's Area on a New Student Registration day where the course schedule is entered into the computer.
- Appropriate tuition and fees are assessed on the Registration form. The student pays the fees and tuition at Student Accounts.
- For residential students take the registration receipt (stamped copy) to the designated location (i.e. Splitters or Room 308 in the Student Center) for a parking sticker, sign a form for the Student Handbook, receive a student ID, and obtain an LMU Post Office box on Registration Day.

Returning Students:

- Make an appointment with an academic advisor
- Pick up an online registration worksheet from the Registrar's Office or from your advisor. (Students with an account balance or students on academic probation cannot register online and must use a Registration form.)
- Review the Semester Class Schedule on WebAdvisor, the LMU Undergraduate Catalog, and the student's academic record to select course options.
- Meet with an advisor for advice and signed approval of a schedule for the upcoming semester. The advisor will maintain the student's advising folder
- Register for classes through WebAdvisor with Express Registration (See Registration Policies on the WebAdvisor main page). Notification of future steps to complete registration will be sent through LMU email. (Students with an account balance or those on academic probation must take the Registration form to the Registrar's Office to process).

Early (Pre-) Registration

Early registration helps assure a student space in classes for the upcoming semester, and helps the staff adjust offered courses to meet student needs. Students are encouraged to take advantage of the early registration period (indicated on the Academic Calendar as "Early registration begins") near the end of each semester by consulting with his/her advisor about a schedule for the following semester and taking the schedule to the Registrar for entry into the computer. In

order to complete early registration, the student must first pay any amount due on his/her account.

Late Registration

Students may register after the regular registration dates with permission from the department chairperson and the individual instructor during the late registration period designated on the Academic Calendar. Late registrants must make up missed work and will be assessed a late registration fee (reference semester class schedule).

Change of Schedule

Occasionally the student may determine after the first or second class meeting that he/she needs or wishes to change his/her schedule by adding and/or dropping one or more classes. Such changes should not be made, however, without consulting the academic advisor. **Such changes can be made only by using the official Change of Schedule form and processing the change through the Office of the Registrar and Financial Aid Office.**

The student may add courses to his/her schedule through the "Last day to complete registration" as announced in the Academic Calendar. The student may drop (withdraw from) courses any time during the semester. Please refer to the credit/refund schedule to determine the percentage of credit given (if any) for dropping a course. Dropping or adding course may affect your financial aid. Further, regarding dropped courses, there are important **deadlines** which affect the grade or notation that will appear on the student's academic transcript. See the Academic Calendar and take special note of:

Last day to drop without "WD"

If the course is dropped on or before that date, the course will not appear on the transcript; if the course is dropped after that date, the course will appear on the transcript with a notation of WD for "withdrew".

Last day to drop without "F"

If the course is dropped after that date; the course will appear on the transcript with the grade F.

Withdrawal From The University

“Withdrawal from the University” refers to the official process in which the student withdraws from ALL classes, from the residence hall (if applicable), and from any current student relationship with the University. The student initiates this process by obtaining a Withdrawal Form in the Registrar’s Office or from the Registrar’s home page. The student must fill out the form and obtain the required signatures: Director of Residential Life, Bursar, Director of Financial Aid, Dean of Students and the Registrar. The student must also return his/her student identification card, meal card (if applicable) and parking sticker to the Office of Student Services when withdrawing from the University. Further, any withdrawing student who has received a student loan must have an exit interview with a Financial Aid Counselor.

Caution: Courses for which the student is registered will appear on the transcript with a notation of “WD”. The official date of WD will appear with courses. Further, any student who ceases attending classes before the end of the semester, mini-term, or summer term without completing official withdrawal from the University automatically receives the grade “F” for such course(s), so noted on the student’s academic transcript. Withdrawal from the University does not affect the cumulative GPA of the student if processed by the close of the “last day to drop without ‘F’,” as announced in the Academic Calendar.

The Financial status of the student is affected by withdrawal from the University in the following ways:

1. Refunds for tuition and fees are credited to the student’s account according to the refund schedule.
2. Housing and meal fees are credited to the student’s account according to the refund schedule.
3. Financial Aid will be prorated to the student according to the federal Return of Title IV Funds Policy.
4. The balance for the student’s account with the Finance Office will be credited or billed to the student as appropriate.
5. Once the student has completed registration, i.e., turned in the registration form to the Office of Finance, the student is liable for all registration fees even though classes have not been attended, unless the student completed an official withdrawal form.
6. Students who are suspended from LMU or ineligible to continue in an academic program because of grade deficiencies and who are registered in advance for the subsequent semester; must complete an official withdrawal from.

Refer to “Refund Policies” for detailed information.

Any student who has not completed registration properly in an appropriate amount of time or who has not paid his/her account according to arrangements made with the Finance Office and Financial Aid Office is subject to administrative withdrawal from classes. A reasonable attempt will be made to contact the student before such action is taken

Readmission Policy

When a student has been administratively withdrawn from the University for disciplinary reasons, the following procedures must be completed for readmission to the University;

1. Pre-existing agreements as outlined by the Office of Student Services must be met.
2. A written appeal must be submitted to the Dean of Students requesting readmission to LMU and confirming that all requirements have been met.
3. All appeals to be readmitted to the University must be submitted no later than one month prior to the first day of the semester in which the student is seeking readmission.
4. The appeal will be submitted to the Committee on Readmission, which consists of the Dean of Student Services and Campus Life, Dean of Enrollment, Director of Financial Aid and the Dean of Students. Students seeking readmission will be notified in writing of

the committee's decision within one week of the receipt of the written request. The Committee's decision is final.

Grading System

A 4.0 grading scale is in effect at LMU. A quality point is the value assigned to a letter grade.

<u>Grade</u>		<u>Quality Points.</u>
A	=	4.0
A-	=	3.67
B+	=	3.33
B	=	3.0
B-	=	2.67
C+	=	2.33
C	=	2.0
C-	=	1.67
D+	=	1.33
D	=	1.0
D-	=	.67
F	=	no quality points earned

Other possible transcript notations:

I = Incomplete. If the request for an "I" grade is approved, the work must be completed within the first six weeks of the following semester; otherwise the grade automatically becomes an "F".

P = Passing. Given for credit hours but not for quality points. Not computed in grade-point average (GPA).

IP = In Progress. Work is progressing, but the student must register again for the course the following semester or the next semester of attendance in order to complete the required work for the course. The IP grade is restricted to specific courses in the curriculum.

NC = No Credit. No credit assigned for the course.

EL = Experiential Learning credit. Not computed in the GPA.

CE = Credit by Examination. Not computed in the GPA.

AU = Audit. Denotes official audit of course; no credit awarded nor grade assigned.

WD = Withdraw. Denotes official withdrawal from the university.

Standards of Academic Progress

A 2.00 cumulative grade-point average (GPA) is required for graduation; any student not maintaining that standard will be placed on academic probation for the subsequent semester and will remain on academic probation until the cumulative GPA is at least 2.00.

Students who have been on academic probation for at least one semester and their cumulative GPA is less than the level indicated below for the specific hourly range are subject to suspension for a period of one regular semester. **Full-time students who fail all coursework for the semester are subject to suspension without being placed on probation.**

A student who is academically suspended from the university may apply for re-admission after the elapsed suspension period by submitting a written request to the Academic Affairs Office a minimum of 30 days prior to the beginning of the semester for which the student is requesting re-admission.

A second Academic suspension will result in suspension for a full calendar year. A third academic suspension will result in permanent dismissal from the university.

Students on academic probation will be referred to the appropriate officials for academic/personal counseling; students may attend the summer semester as an opportunity to remove probation status prior to the new academic year. **Students on academic probation will be required to attend tutoring as a condition of their continued enrollment. Individual tutoring schedules must be approved in the Office of Academic Affairs. Students on probation may register for 12 to 16 hours during their probationary period with schedules approved in the Office of Academic Affairs.**

Academic Integrity

It is the aim of the faculty of LMU to foster a spirit of complete honesty and a high standard of integrity. The attempt of any student to present work as his/her own that he/she has not honestly performed is regarded by the faculty and administration as a very serious offense and renders the offender liable to severe consequences and possible suspension.

Cheating: LMU prohibits dishonesty of any kind on examinations or written assignments. These include: unauthorized possession of examination questions, the use of unauthorized notes during an examination, obtaining information during an examination from another student, assisting others to cheat, altering grade records, or entering any campus office without permission. Violations will subject the student to disciplinary action.

Plagiarism: LMU prohibits offering the work of another as one's own without proper

acknowledgement. Any student who fails to give credit for quotations or essentially identical material taken from books, magazines, encyclopedias, or other reference works, or from the themes, reports, or other writings of a fellow student has committed plagiarism. Some departments or schools maintain additional rules regarding plagiarism and students should become familiar with those policies.

Academic Grievance Procedure

Grievances concerning any academic issues should first be taken to the instructor of the class. If a student feels he/she needs to take the matter further, the chair of the department in which the course falls should be consulted. The next appeal source is the Dean of the applicable and finally the Vice President for Academic Affairs. If the dispute involves an academic program, the academic advisor or the chairperson should be consulted as well.

Academic Environment

The University considers both the in and out of the classroom learning space to be equally important, therefore we strive to create an environment conducive to optimal learning. To that end, LMU adopts the following policies:

1. Cell phones are to be turned off at all times while classes are in session so as not to interrupt the flow of instruction and learning.
2. Children are not to be brought to class.

Students who violate these policies may be asked to leave the classroom. We apologize for any inconvenience this may cause but we must respect the rights of all of our students to concentrate uninterrupted.

Change of Name or Address

A student who changes his/her name, residence, or mailing address is expected to immediately notify the Office of the Registrar regarding the change. Name changes must be submitted as a signed request. Documentation must accompany a name change: marriage certificate, divorce decree, or court order. Current students can change their address online through their WebAdvisor account. Former students must submit a signed request for an address change. Any communication from the University which is mailed to the name and address on record is considered to have been properly delivered.

Background Checks

If a student is assigned for clinical experience/practicum at a clinical affiliate, other affiliate agency, organization, or school (“affiliate”) requiring a criminal background check, the student will be required to provide the requested information. Students are allowed in the facility at the discretion of the affiliate. If the affiliate denies the student's acceptance into its facility, the student will not be able to complete the clinical experience/practicum and will be withdrawn from the program.

In certain situations, investigative background reports may be ongoing and conducted at any time. Access to the program may be denied at any time by the affiliate or LMU.

Pursuant to the Fair Credit Reporting Act, LMU provides each student with the proper notices and forms at the time of application to the University with regard to background checks.

Right to Privacy under Public Law 93-380

The University complies with the provisions of the Family Education Rights and Privacy Act ("FERPA" or the "Act"), 1974, as amended. FERPA maintains that the institution will provide for the confidentiality of student education records, except as permitted by the Act.

No one outside the institution shall have access to nor will LMU disclose any information from a student's education records without the written consent of the student except to personnel within the institution, to officials of other institutions in which the student seeks enrollment, to persons or organizations providing financial aid to the student, to accrediting agencies carrying out their accreditation function, to persons in compliance with a judicial order, and to persons in an emergency in order to protect the health and safety of the student or other persons. Additionally, according to the 1998 Higher Education Amendments, the University is authorized by law to contact parents or guardians when a student under the age of 21 commits serious or repeated violations directly or indirectly involving our drug and alcohol policies.

At its discretion, LMU may provide Directory Information in accordance with the provision of the Act to include: student name, address, telephone number, date and place of birth, major field of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Faculty and staff are encouraged to use case-by-case discretion when acting upon requests for such "Directory Information." No student information will be sold or provided for credit card promotions. Currently enrolled students may request in writing to the attention of the Registrar, non-disclosure of his/her student information.

Students may not inspect or review financial information submitted by their parents, confidential letters and recommendations associated with admissions, employment or job placement, honors to which they have waived their right of access, or education records containing information about more than one student, in which case LMU will permit access only to that part of the record which pertains to the inquiring student.

Students may access their "student information" by using the Web Advisor account. Each student is given a PIN number to access the following information: schedule, transcript, financial records and financial aid. This information will remain confidential as long as the student secures his/her PIN number.

LMU maintains a list of all persons, other than college officials, who have received a copy of the student's education record. A copy of the University's policy on the release of education records is on file in the Offices of the Registrar and the Associate Dean of Students.

Intellectual Property Policy

I. Purpose and Definitions

1. The intent of this policy is to preserve and protect the University's rights in intellectual property where appropriate and to define and respect the rights of others in works developed without the use of appreciable University support, particularly those works used solely to assist or enhance a faculty member's educational assignments. The University expects all members of the community to be mindful of how intellectual property laws, regulations, and policies apply to their work and to respect the intellectual property rights of others.

2. This policy applies to all students, faculty, and staff of the University and is intended to protect the interests of all concerned parties, including the University itself; members of the University community (faculty, staff, and students); external sponsors of research; and the public.

3. The University defines intellectual property as encompassing all works or things which result in any copyrightable material, and all inventions or things created and produced by faculty, staff, and students, regardless of whether they are, in whole or in part, protectable under patent, trademark, copyright or other applicable laws.

4. Intellectual property may be broadly divided into two categories: (a) the result of University-sponsored or supported efforts, or (b) the result of an individual's independent efforts. University students, faculty, and staff are encouraged to develop intellectual property relating to educational endeavors that include but are not limited to inventions, educational materials, works of art, literary works, teaching aids, textual materials, computer software, databases, audiovisual materials, drawings, lectures, musical/dramatic compositions, pictures, graphics, other copyrightable materials, and any other products or things that are designed to enhance or supplement the educational process at Lincoln Memorial University. The University also encourages the use of intellectual property and/or products resulting from the application of intellectual property for the good of the community and the general public.

5. The University may, in its own name, secure foreign and domestic letters of patent, copyrights, and trademarks on intellectual property produced or developed on behalf of the institution, or produced as a result of University-sponsored or supported efforts, in a manner consistent with this policy and any other applicable University policies

6. University-sponsored or supported efforts include those efforts that involve the use of significant University funds, personnel, facilities, equipment, materials or technological information, which may include support by another private or public organization if LMU administers or arranges for such support. University-sponsored or supported work further means work in which the creator was either engaged or commissioned by the University or made use of the University's support in developing the intellectual property, or that was not made in the course of independent efforts.

7. Funds and facilities provided by government, commercial, industrial, or other public or private organizations and administered and controlled by the University shall be considered to be funds and facilities provided by the University.

8. This policy as amended from time to time shall be part of the conditions of employment of every faculty, staff and student employee of the University. All employees are subject to any changes to this policy made subsequent to employment.

II. Rights Secured

1. Generally, Lincoln Memorial University retains all ownership rights, foreign and domestic, in any intellectual property created through University-sponsored or supported efforts of its faculty, staff, and/or students. The proceeds of any use, sale, licensing, or other monetization of such intellectual property shall belong solely to the University. The individual creator(s) of such intellectual property may only share in the proceeds arising from the property's use, sale, licensing, or other monetization if they have entered an appropriate agreement with the University.

2. Specifically, it is University policy that intellectual property developed by faculty, staff, and/or students shall be and become the sole and exclusive property of Lincoln Memorial University if the intellectual property is (a) developed within the person's scope of employment with the University, (b) developed in the course of a project sponsored by the University, (c) developed with the significant use of the University's funds, facilities, services, or equipment, or (d) developed in the course of a project arranged, administered or controlled by the University and sponsored in whole or in part by persons, agencies, or organizations external to the University, absent prior written agreement to the contrary.

3. With respect to students, the use of resources or facilities typically available to students in their educational activities shall not be considered "significant."

4. The University recognizes and reaffirms the traditional academic freedom of its faculty to engage in scholarly activity and to publish freely without restriction. In keeping with this philosophy, the University will not construe the payment of salary from unrestricted funds, nor the provision of office or library facilities, as constituting significant use of University facilities or funds, except for those situations where the funds were paid or the facilities provided specifically to support the development of an invention(s) and/or creation(s).

III. Independent efforts

1. Students, faculty, and staff may through independent efforts produce educational endeavors, works or other things that are subject to copyright, trademark or patent protection. In such cases, each creator has the right to determine the disposition of the materials' property rights and to receive revenue derived from such works.

2. Independent efforts include (a) ideas and works that originated from the individual faculty member, staff member, and/or student; and (b) works not made with the use of significant University support.

3. The University is not responsible for any opinions expressed in works that are created through the independent efforts of students, faculty and/or staff, which opinions shall be the sole responsibility of each individual creator. The University reserves the right to require an appropriately worded and displayed disclaimer to that effect to accompany any publication of a work that arises from the independent efforts of its students, faculty and/or staff. Further, the name of the University or reference to the University shall not be used in any form of publicity without prior written approval from the University.

4. Faculty members' textbooks, scholarly articles published in independent publications, and similar works intended to disseminate the results of study or research are generally considered independent efforts unless the University commissioned them, the projects that gave rise to them were specifically University-sponsored or supported, or an external sponsor commissioned them pursuant to a separate agreement with the faculty member and/or the University.

IV. Procedures

1. Once University-sponsored or supported intellectual property is created, and before its publication, the faculty member, staff member, and/or student creator is required to disclose the work or thing in its entirety to the Vice President for Academic Affairs. For all intellectual property created during an employee's approved employment outside the University, the employee may only delay disclosure to the University to protect the outside employer's interest until a decision has been made whether to seek a patent, copyright, or trademark.

2. All disclosures shall include (a) the name(s), address(es) and telephone number(s) of all creators or other participants in the creative process; (b) a descriptive title of the work or thing; and (c) a concise description of the work or thing, including an explanation of its nature, purpose and operation; a summary of results achieved; features believed to be novel; further experimental work planned; and any additional information which the creator believes might be helpful in deciding whether a patent application should be filed. The disclosure must be signed and witnessed.

3. The Vice President for Academic Affairs will have sixty (60) days after actual receipt of the disclosure to determine whether Lincoln Memorial University will assert an interest in the particular intellectual property and to develop a written agreement reflecting the interests of all parties, including how any proceeds from the monetization of the intellectual property will be distributed. Both the University and the individual will make every effort to protect both the individual's and the institution's interests.

4. Any agreement between an individual creator and the University will consider the relative contribution by such individual and may establish the percentage of ownership of the trademark, copyright or patent rights and compensation terms for development. All such agreements must satisfy any pre-existing commitments to outside sponsoring agencies.

5. All revenue derived from the monetization of such intellectual property by the University shall be used to support its academic purposes and programs.

6. All discoveries or inventions made outside the field in which the employee is hired by the University, and where the University has not provided any support, are and shall be the individual's property and invention. However, the employee and the University may agree that a patent for any such discovery and invention may be pursued by the University, with the proceeds of any monetization thereof to be shared in accordance with the agreement.

7. The development of intellectual property shall not interfere with an employee's effective performance of his/her assigned duties at the University. Unless otherwise determined by an agreement between the University and the employee, the employee's immediate administrative supervisor shall determine whether development of the intellectual property has a detrimental effect upon the employee's performance of his/her regular assignments. Standard University policies may be applied regarding employee performance in cases where it is determined that effective performance of work duties is negatively impacted by development of intellectual property.

8. All University personnel and students are obligated to refrain from any act that would defeat the University's rights in any University-sponsored or supported intellectual property, and to cooperate in the documentation and demonstration of the University's rights therein, including without limitation executing assignments of rights and providing sworn testimony or other support for the University in the event of litigation without necessity of a subpoena.

9. Lincoln Memorial University requires that agreements concerning work products including or contemplating any intellectual property development must address, at a minimum, the following issues:

- (a) Ownership;
- (b) Compensation;
- (c) Copyright issues;
- (d) How the intellectual work product can be utilized by LMU students, faculty, and staff;
- (e) How revenues are to be allocated and used by LMU;
- (f) Disclosure of requirements prior to publicizing a project;
- (g) Reference to any documents needed to provide for intellectual property protection; and
- (h) Other terms agreed to by the parties.

10. With respect to theses and dissertations, a University student must, as a condition of a degree award, grant royalty-free permission to the University to reproduce and publicly distribute, including by technologies now known or developed in the future, on a non-commercial basis, copies of the thesis or dissertation.

V. Copyright

1. Copyright is the right of an author, artist, composer or other creator of a work of authorship to control the use of his or her work by others. Generally speaking, you may not

reproduce a copyrighted work (including computer software) without the copyright owner's permission. The term of copyright protection is usually defined as the life of the creator plus 70 years, but there are some complicated exceptions and it is best to assume that any work published after 1922 is still protected by copyright. In certain instances, the "fair use" doctrine may allow the use of a copyrighted work for purposes such as scholarship or criticism. Generally, though, the unauthorized reproduction of a copyrighted work is copyright infringement and may subject the infringer to civil and criminal penalties.

2. Despite court rulings holding such activity illegal, some individuals continue to engage in so-called peer-to-peer file sharing of commercially copyrighted music, movies, and software. The law allows copyright owners who have detected illegal file sharing over a campus network to subpoena the name of the individual(s) involved. The copyright owner may then sue the individual for up to \$150,000 for each act of infringement. Since 2003, the recording and movie industries have filed more than 6,000 such lawsuits, including hundreds against college students and staff members nationwide.

3. The University and its faculty, students, and employees must comply with the copyright law, including without limitation by refraining from unauthorized file sharing. In addition, such conduct violates the University's technology use policies and can cause the University to subject an employee to disciplinary action up to and including termination. Questions regarding copyright law compliance should be directed to the University librarian or the President's office.

RULES OF STUDENT CONDUCT

The following is a non-exhaustive list of rules of conduct for LMU students. Violation of any University rules or policies may result in disciplinary action up to and including expulsion.

Appeals of faculty decisions may be pursued through the regular academic appeals process. Violations will be recorded in the Associate Dean of Students disciplinary files. See "Academic Integrity" in section II of this *Student Handbook*.

 14. Littering the campus is offensive to everyone. Anyone found littering is subject to a \$100.00 fine and will be assigned appropriate community service.
 15. A student's behavior is not only a reflection of his/her own choices, but is also a strong reflection upon the caliber of students enrolled within the University community. The University may discipline students who commit certain off-campus violations of University policies. Likewise, the University may take disciplinary action with students who commit violations of public law outside the University.
 16. The falsification of University documents of any kind is prohibited.
 17. Any residential student missing two weeks of a class may, based on the student's determined reasons when addressed by university, be administratively withdrawn from the residence hall and/or the University. Students missing class excessively will be reported to the office of Dean of Students and / or the Director of Academic Excellence and subject to administrative action.

19. All forms of Hazing on the part of any individual, group of individuals or organizations is illegal, and is subject to civil and University disciplinary action. (See complete policy on hazing under the athletics section of this handbook.)

21. Conduct violations will be dealt with on a case-by-case basis and, according to the seriousness of each incident, may result in sanctions ranging from a simple warning to expulsion from the institution.

University sanctions are harsher than those dictated for athletic or financial aid participation, and the University sanctions supersede those for athletics and financial aid in those cases.

8. Possession, consumption, sale, or use of illicit drugs is against local, state, and Federal law. Up to suspension and / or expulsion from the university and arrest are possible consequences of these serious infractions.

Graduate level housing and LMU events

Alcohol may be possessed and consumed by graduate students who reside in graduate housing. The residence halls where adults may possess and/or consume alcohol are University Inn, Lee, Mars, Shelton and Langley Halls. Public intoxication on these properties will not be tolerated.

Educational Programming

LMU conducts regular programs to educate its students, faculty, and staff that consumption and/or abuse of alcohol and other drugs may alter behavior, distort perception, impair thinking, impede judgment, and lead to physical or psychological dependence.

The scope and impact of health risks from alcohol and drug abuse are both alarming and well-documented, ranging from mood-altering to life-threatening, with consequences that extend beyond the individual to family, organizations and society at large. There are physical, emotional, spiritual, social and occupational risks involved with the use of alcohol and drugs. Some of the physical health risks of drug use include, but are not limited to heart problems, infections, malnutrition, convulsions, respiratory paralysis, emphysema, high blood pressure, and possible death. Drug use can also lead to legal problems, financial hardships, and social and occupational difficulties. Some of the physical risks of using alcohol are chronic addiction, blood disorders, brain damage, cirrhosis, hepatitis, heart problems, lung infection and stomach ulcers. Mentally, there may be increased stress, depression, contemplation of suicide, impaired thought process, memory loss, and increased incidents of psychosis.

Counseling, Treatment and Rehabilitation

LMU provides a comprehensive alcohol and drug prevention program for students in need of assistance. Faculty, staff, students, and concerned family members may refer students for an

initial assessment to the counseling office located in Room 201 of Duke Hall. . An extensive resource catalog is housed in the counseling office with listings of service providers located in Kentucky, Tennessee, and Virginia. Students receiving counseling on campus as a result of alcohol, drug, or personal concerns can do so with the assurance that strict counseling confidentiality will be observed. Through the Director of Counseling Services, students may receive assessment, intervention, and referral services free of charge. While some on-campus counseling may be required, this is generally of a brief duration depending upon each student's circumstances. If dismissal from the university is made, assessment and rehabilitation at the student's expense may be required for re-entry to the institution.

Wellness Resources are available from the Office of Student Service, the Tagge Center for Academic Excellence, the Library Computer Lab and in the Athletic Department. Additional literature and videotapes are available at the circulation desk in the library for research and personal use.

SEXUAL AND OTHER DISCRIMINATORY HARASSMENT

LMU is committed to maintaining study and work environments that are free from discriminatory harassment based on sex, race, color, national origin, religion, pregnancy, age, military status, disability or any other protected discriminatory factor. Sexual or other discriminatory harassment of its students is strictly prohibited, whether by non-employees (such as contractors or vendors), other students, or by its employees, and LMU will take immediate and appropriate action to prevent and to correct behavior that violates this policy. Likewise, students are strictly prohibited from engaging in harassing behavior directed at LMU's employees, its visitors, vendors and contractors. All students must comply with this policy and take appropriate measures to create an atmosphere free of harassment and discrimination. Appropriate disciplinary action, up to and including, as appropriate, suspension, expulsion, and termination from employment or being banned from LMU properties, will be taken against individuals who violate this policy.

Sexual Harassment

Sexual harassment is defined as unwelcome sexual advances, requests or sexual favors or other verbal or physical contact of a sexual nature.

This conduct constitutes unlawful sexual harassment when:

1. Submission to this conduct is explicitly or implicitly made a term or condition of an individual's employment or academic success;
2. Submission to or rejection of this conduct is used as the basis for an employment or academic decision; or
3. Such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile or offensive work environment.

Sexual harassment refers to behavior that is not welcome, is personally offensive, is debilitating to morale and interferes with academic or work effectiveness. It frequently (though not necessarily) occurs as an abuse of authority where the parties are in an unequal power relationship. Sexual harassment may take different forms. One specific form is the demand for sexual favors. Other forms of harassment can include:

Verbal: Sexual innuendoes, suggestive comments, jokes of a sexual nature, sexual propositions, implied or explicit threats, and offensive or obscene language.

Non-Verbal: Sexually suggestive objects, graffiti, cartoons, posters, calendars, writings, pictures, graphic commentaries, suggestive or insulting sounds, leering, whistling, stalking, staring and making obscene gestures.

Physical: Unwanted or unwelcome physical contact, including touching, pinching, grabbing, holding, hugging, kissing, brushing the body, assault and rape.

While sexual harassment usually involves members of the opposite sex, it also includes “same sex harassment,” (*i.e.*, males harassing males and females harassing females because of the recipient’s sex).

Sexual harassment may be subtle or overt. Some behavior that is appropriate in a social setting is not appropriate in the workplace or in an academic environment. Regardless of the form it takes, verbal, non-verbal or physical, sexual harassment is inherently destructive, insulting and demeaning to the recipient and will not be tolerated at LMU.

Other Discriminatory Harassment

Other discriminatory harassment is verbal or physical conduct that denigrates or shows hostility or aversion toward an individual because of race, color, religion, national origin, pregnancy, age, military status, disability, or other protected discriminatory factor, when such conduct (1) has the purpose or effect of creating an intimidating, hostile or offensive work or academic environment; (2) has the purpose or effect of unreasonably interfering with an individual’s work or academic performance; or (3) otherwise adversely affects an individual’s employment or academic opportunities.

Examples of discriminatory harassing conduct include, but are not limited to, using epithets, slurs, negative stereotyping, threatening, intimidating or hostile acts or words, or showing, exhibiting or creating written or graphic material that denigrates or shows aversion or hostility toward an individual or group because of race, color, religion, national origin, pregnancy, age, military status, or disability.

All students, faculty and staff must avoid any action or conduct that might be viewed as discriminatory harassment (whether sexual or other). Approval of, participation in or acquiescence in conduct constituting such harassment is a violation of this policy. Note:

Individuals may be disciplined for behavior which is not so severe as to independently constitute unlawful harassment, but which is nonetheless offensive.

Complaint and Reporting Procedure

Students have the responsibility to bring any form of harassment they experience or observe to the immediate attention of LMU. They need not complain first to the offending person. All complaints or reports should be directed either to the Director of Human Resources or the Associate Dean of Students. A prompt, thorough, and fair investigation will be conducted based on the individual's statement of what has occurred. In an effort to protect the individual who reports or complains of harassment, to encourage prompt reporting, and to protect the accused interests during the pendency of an investigation, access to information related to the investigation will be maintained on a strict "need to know" basis and all individuals involved in an investigation will be instructed not to discuss the matters in question outside of the investigation. LMU will retain confidential documentation of all allegations and investigations and will take appropriate corrective action to remedy all violations of this policy.

Investigations will normally include conferring with the parties involved and any named or apparent witnesses. Signed statements from the parties and witnesses will usually be requested, though complainants are not required to make a written complaint. All complainants and witnesses will be protected from coercion, intimidation, retaliation, interference or discrimination for raising a bona fide complaint or properly assisting in an investigation. If the investigation reveals that the complaint is valid, prompt and appropriate corrective action designed to stop the harassment immediately and to prevent its recurrence will be taken.

Retaliation against any complaining individual, any witness, or anyone involved in a complaint is strictly prohibited. LMU will follow up any complaint or investigation as appropriate to insure that no retaliation occurs. Students should *immediately* report any perceived retaliation to the Director of Human Resources or the Associate Dean of Students. The University will not tolerate retaliation and will take prompt and immediate steps to eliminate it.

Whether a particular act or incident produces a discriminatory employment or academic effect or amounts to harassment, or whether it otherwise violates this policy, requires a factual determination based on all the facts and circumstances. Given the nature of this type of discrimination, the University recognizes that false accusations of sexual or other discriminatory harassment can have serious effects on innocent individuals. Therefore, if after investigating any complaint or report, it determines the complaint or report is not bona fide and was made in bad faith or for an improper purpose, or that an individual has provided false information regarding a complaint or investigation, disciplinary action may be taken against the individual who filed the complaint or who gave false information.

LMU trusts and expects that all students will continue to act responsibly to establish and maintain a pleasant and respectful community environment, free of discrimination or harassment, for all. LMU has a zero tolerance policy for sexual or other discriminatory harassment. Thus, students are subject to discipline for any inappropriate behavior.

Questions or concerns about this policy or the complaint and reporting procedure should be directed to the Associate Dean of Students or Human Resources.

Sex Offense Prevention Programs and Procedures

Education and Information

Sex offense prevention education is part of the college experience and the Office of Student Services conducts a mandatory sexual assault prevention seminar at the beginning of each academic year. Sex offense-related topics are also covered during Residence Life Staff Training. Prevention literature and contact information for local agencies is available in the Student Services lobby and at the Tagge Center for Academic Excellence, and students are encouraged to contact Student Services counselors (Student Center, 308) with any additional concerns or requests for information.

Students may access the TBI's Tennessee Internet Crime Information Center's Sexual Offender Registry (for Claiborne County) at:

http://www.ticic.state.tn.us/SEX_ofndr/sor_short_county.asp. For Bell County, KY:

<http://kspisor.state.ky.us/>. For Lee County, VA: <http://sex-offender.vsp.state.va.us/>.

Reporting Offenses

Students who experience, witness or are otherwise informed that a sexual offense has occurred should, at the student's option, contact local law enforcement, a campus police and security officer, or university official as soon as possible. Prompt reporting is important in order to preserve available evidence, to obtain necessary treatment and support for the victim, and to prevent further harm to others.

Procedures

LMU will cooperate with lawful investigatory processes related to criminal investigations. In addition, allegations of sexual offenses brought against a student will be handled pursuant to the University's Sexual Harassment policy and procedures. The University may impose disciplinary action against a student even in the absence of a criminal report, arrest or conviction. Sanctions may include, but are not limited to, disciplinary probation, suspension or expulsion. The Office of Student Services may, upon request or out of concern for safety, make adjustments to a student's academic or living situation.

SMOKE FREE CAMPUS POLICY

All LMU buildings are smoke - free. Smoking is prohibited in all campus buildings for health and safety reasons. Residence hall rooms contain sensitive smoke detectors, and consequently, smoking will trigger smoke detector alarms. Fines of up \$250.00 may be imposed on any persons tampering with detectors. Smoking is allowed only outside of facilities.

TRAFFIC REGULATIONS

SECTION III: FINANCIAL SERVICES

TUITION

Please visit the website at <http://www.lmunet.edu/admissions/tuition.shtml> for further information.

Payment Plans

LMU offers two options allowing undergraduate students to divide the cost of their education into more manageable monthly payments, free of any periodic interest charge. Insurance coverage guaranteeing the required payments is included for both plans at no additional charge.

Plan 1: (The Semester Plan) provides for three, four, or five monthly payments over the course of the semester for that semester's costs (not to include books). A fee of \$45.00 is required to enroll.

Plan 2: (The Annual Plan) provides for eight, nine, or ten monthly payments over the course of the academic year to cover the fall and spring charges (not to include books). A fee of \$65.00 is required to enroll.

For further information on either of these plans call 1-888-572-8985.

FINANCIAL AID PROGRAMS

The University offers a variety of grant, loan, and work programs to its students. The grant programs include the Federal Pell Grant, Federal Supplemental Educational Opportunity Grant, Tennessee Student Assistance Award, and various institutional grants and scholarships. Educational loans are available to students through the Federal Perkins, Stafford, and PLUS loan programs. Also employment opportunities for students are offered through the Federal Work-Study program. Information on all of these programs may be obtained from the Financial Aid Office. The student is responsible for maintaining his/her correct address with the Financial Aid Office.

Financial Aid Awards

A student's eligibility for need-based financial aid is determined from the information provided on the Free Application for Federal Student Aid (FAFSA). It is the student's responsibility to complete and submit all necessary application materials by the priority deadline of April 1. Students are required to reapply for financial aid each academic year. Renewal of financial aid awards is based on the individual student's demonstrated financial need, availability of funds and maintenance of satisfactory academic progress.

April 1 is the priority deadline to apply for financial aid. Feel free to contact the Financial Aid Office should you have any questions about the aid application process of the types of financial aid available at Lincoln Memorial University.

Satisfactory Academic Progress (SAP)

A student is considered to have made satisfactory academic progress provided he/she passes at least 67 percent of the credit hours attempted per year. Also, the student must maintain a cumulative minimum grade point average as outlined below.

<u>Hours Attempted</u>	<u>Cumulative GPA</u>
1 – 15	1.00
16 - 32	1.25
33 – 49	1.50
50 – 64	1.63
65 – 80	1.75
81 – 96	1.88
97 - 107	1.95
108 - graduation	2.00

No student will be eligible to receive financial aid for more than 12 semesters for a baccalaureate degree program and 6 semesters for an associate degree program. Academic progress for transfer students will be evaluated in accordance with the student's grade level classification and academic performance at LMU.

Satisfactory academic progress will be reviewed at the end of the each semester. Please refer to the University Undergraduate Catalog for the specific guidelines on the SAP process. This SAP policy is completely separate from the Academic Probation and Suspension policies.

Partial Aid

If a student receives financial aid for any part of a semester, that semester is counted as a complete semester of aid. Incompletes or repetitions will not be counted as meeting the minimum course requirements.

Financial Aid Warning

A student whose academic performance drops below the minimum standards of SAP after any semester will be placed on financial aid warning. A student can retain financial aid while on financial aid warning for one semester but must be in good standing the next semester to retain financial aid.

Any student receiving financial aid who does not meet the satisfactory progress requirements and whose aid must be withdrawn will be given written notification.

Right of Appeal

Any student whose financial aid has been terminated for unsatisfactory academic progress may submit a written appeal to the Financial Aid Committee explaining why satisfactory progress has not been maintained and why financial aid should not be terminated.

All appeals must be submitted within the timeline indicated in their financial aid suspension letter. The Committee's decision is final.

REFUND POLICY

Refund of Institutional Tuition, Room and Board Charges

LMU operates with an annual budget developed through advance planning built around the institutional mission and goals, including financial obligations to faculty and others who provide necessary services essential for operation. In the event a student drops one or more classes, withdraws, or is administratively dismissed from the University for disciplinary or financial reasons after registration is completed and prior to the end of a semester of enrollment, the student's eligibility for a refund of tuition and/or room and board will be pro-rated as indicated

by refund policy. A student must complete a Change of Schedule form, obtained from the Office of the Registrar for dropping one or more classes. Any situation in which all classes are dropped is considered to be a withdrawal from the University. Any notification of withdrawal and request of refund must be made in writing. Should the student fail to officially withdraw, all semester charges will become immediately due and payable.

The official withdrawal process begins in the Office of the Registrar. A withdrawal form must be completed and all the necessary signatures obtained. Oral requests do not constitute *official notification*. The official date of withdrawal used to compute the refund is determined by the Office of Finance. Applicable institutional charges for fall and spring semesters will be refunded according to the following schedule:

Refund Schedule

Through the first official day of classes	100%
After the first official day of classes & during the first week of the semester	90%
During the second week of the semester	75%
During the third week of the semester	50%
During the fourth week of the semester	25%
After the fourth week of the semester	0%

No refund of institutional charges will be made after the fourth week of the semester. Specific dates affecting the schedule of refunds appear in the *Class Schedule* and/or the Office of Student Affairs, the Registrar's Office and the Office of Finance.

Refund schedules pertaining to summer and mini terms are adjusted to the varying length of the terms. They appear in the *Class Schedule* published for the given term.

Room and board fees will not be refunded to any student who withdraws from campus residency, but remains enrolled at LMU during the semester or term.

Refund of Financial Aid

The Return of Title IV Funds (federal). Federal Regulations determine how colleges and universities handle Title IV funds when a recipient withdraws from school. This policy is separate from the university's refund of institutional charges. The return of Title IV funds includes Pell Grants, Federal Supplemental Educational Opportunity Grants, Federal PLUS loans, Federal Perkins Loans and Federal Direct Stafford Loans. The policy states that up through the 60% point in each semester a pro-rata schedule will be used to determine how much Title IV aid the student has earned. For example, if the student has attended 31% of the enrollment period, the student has earned 31% of his/her Title IV aid, and 69% of the aid must be returned to the federal government. After the 60% point in the semester, the student has earned 100% of the aid for which the student was eligible. Additional information on the return of Title IV funds may be obtained from the Financial Aid Office.

Refund of Housing Reservation and Damage Deposit

The housing reservation and damage deposit is refundable at the end of the student's tenure in campus housing provided no damage or loss has occurred in the student's room as indicated by a check-out sheet and keys have been returned. If a student has an outstanding account balance with the University, any refundable deposit must first be applied against the student's outstanding account. If the student's outstanding account balance exceeds the refundable deposit, the student will not be entitled to a refund of the deposit. Cancellation of housing by a resident during the semester forfeits the resident's deposit. A written request for refund must be made to the Housing Director. *Once the Request is made the process of the refund can take up to 120 days.*

Refund of Credit Balance

In the event a combination of grants, scholarships and/or payments create a credit balance to the student's account, the Finance Office will refund the credit balance to the student by means of a check. All institutional scholarships must be applied toward tuition, fees and on-campus room and board expenses. All federal, state and institutional grants are credited to the student's account first, and any scholarships are applied to the balance of the student's aid eligibility for the semester.

STUDENT ACCOUNTS

The Finance Office keeps a record of each student's financial status with the institution. Assessments for tuition, bookstore charges, fines, fees, room rent and board are made to the student account. Payments are credited to the student account. A refund may be requested for a credit balance.

If a student's account balance is not paid at the end of a semester, access to the Web Advisor will be denied until the account is paid. A student may also not be eligible to view grades, receive a transcript, complete registration for an upcoming semester, or be eligible for graduation if there is an outstanding balance on the student account.

Outstanding Balance / Collection

If a student account is referred to a third party collection agency or collection by suit, the student will be charged reasonable collection costs and / or court costs. In the event that this account becomes delinquent, I promise to pay to LMU any principal amount as well as collection costs in the amount of 33.3% of the principal balance, including court costs, attorney's fees, interest, and service charges."

Interest charges will accrue at the end of each month on all outstanding balances. Graduating students must pay any outstanding account balance three weeks prior to graduation if paying by personal check. If paying by cashier's check, cash, money order or VISA/MASTERCARD/DISCOVER/AMERICAN EXPRESS, payment can be made up to the date of graduation rehearsal. Accounts must be paid in full before a student may participate in the graduation ceremony or receive a diploma.

RESOURCES

Automated Teller Machine (ATM)

ATM services are provided by Commercial Bank. The ATM is located in the Student Center. The ATM accepts VISA, MASTERCARD, DISCOVER, CIRRUS, PLUS, PULSE, QUEST and AMERICAN EXPRESS cards.

Check Cashing

The Finance Office will cash checks up to \$50.00, provided funds are available. Checks should be made payable to cash or in the student's name. Checks written to LMU will be posted on the student's account if a balance exists.

Any student who cashes or pays with a check that is returned for insufficient funds, etc., will be assessed a \$30.00 fee. The student will be contacted and must pay the amount of the returned check, as well as the fee, with cash, a cashier's check or a money order. The University reserves the right to refuse to cash further checks for a student whose previous check has been returned. When a check for registration fees is returned for insufficient funds, that student will be subject to administrative withdrawal from the institution.

A student endorsing, cashing or picking up a check may be asked to present identification. A student must write his/her ID number on the check presented in the Finance Office.

SECTION IV: STUDENT LIFE

STUDENT MEDIA / PUBLICATIONS

Freedom of Expression

LMU funds all student media on campus. LMU does not practice advance censorship; however, it strives to establish and maintain professional standards appropriate for all student media. Advisors to campus media assist in the implementation of these standards, but do not assume the role of editor or station manager. Student editors and managers are expected to uphold journalistic standards of fairness and balance, and remain within the bounds of good taste and fair play. They are to consult their advisors on a regular basis.

Freedom of expression carries with it a responsibility to the LMU community and to the public. Student editors and managers must recognize that freedom of the press does not include a license to disseminate material that is indecent, grossly obscene or offensive on matters of race, ethnicity, religion, gender or sexual orientation.

Student Publications

Student publications are funded directly by the University. Policies concerning freedom of expression are outlined in this handbook. Listed below are the authorized student publications.

Literary Magazine

The Department of English sponsors the publication of *The Emancipator*, an annual literary magazine which includes writings of students and faculty. Paintings, photographs, and drawings are also presented in the magazine. Those students desiring more information should contact the current writer-in-residence.

Yearbook

(Newly updated) The University yearbook, the Railsplitter, is published annually. It is designed during one academic year and released to students during the Spring Semester. The cost of the Railsplitter is kept at a minimum to the students. Some previous editions of the yearbook have been published online. Hazing and Pre-initiation Activities

All forms of hazing on the part of any individual, group of individuals or organizations are subject to civil and University disciplinary action. No initiation or other activity shall be undertaken which endangers the health and safety of an individual, or demands an individual to engage in conduct of an unbecoming or humiliating nature, or in any way detracts from an individual's academic pursuits.

For purposes of this policy and University disciplinary action, LMU defines *hazing* to include any action taken or situation created, wherever it occurs, which induces mental or physical discomfort, embarrassment, harassment, or ridicule. Such actions including paddling, creation of excessive fatigue, physical or psychological shock, wearing apparel which is conspicuous and not in good taste, public ridicule of students, buffoonery, morally degrading or humiliating games or events, work sessions which interfere with regulations or policies of LMU or the laws of the State of Tennessee.

Tennessee law [T.C.A. §47-7-123] prohibits hazing and offers the following definitions: (1) "Hazing" means any intentional or reckless act in Tennessee on or off the property of any higher education institution by one (1) student acting alone or with others which is directed against any other student, that endangers the mental or physical health or safety of that student, or which induces or coerces a student to endanger such student's mental or physical health or safety. "Hazing" does not include customary athletic events or similar contests or competitions, and is limited to those actions taken and situations created in connection with initiation into or affiliation with any organization; and (2) "Higher education institution" means a public or private college, community college or university. (b) Each higher education institution shall adopt a written policy prohibiting hazing by any student or organization operating under the sanction of the institution. The policy shall be distributed or made available to each student at the beginning of each school year. Time shall be set aside during orientation to specifically discuss the policy and its ramifications as a criminal offense and the institutional penalties that may be imposed by the higher education institution.

Thanks in part to the nature of our facilities and activities, which require constant communication and cooperation between teammates to ensure the safety and success of individuals and teams as a whole, our program offers team- and trust-building opportunities that are unmatched by anything else in the area. The course elements include a 500' zip-line, two high ropes elements, and six low ropes elements. The ropes course is available at any time and at no cost to all members of the campus community.

The High Adventure Series also offers monthly destination excursions to students, staff and faculty. These trips are usually within four hours of campus and are offered at little-to-no cost to members of the campus community. Our trips are always great adventures and there is no need to worry about experience in a chosen activity. We only coordinate with the best guide services in their field. Along with the destination excursions the High Adventure Series also conducts local excursions and activities. These include hiking, biking, camping, paddling, and other activities in the Cumberland Gap National Historical Park and surrounding areas. For more information, call 423-869-6294.
